BCL AND MJUR PROFILE

CLASS OF 2021/22

INTRODUCTION

It is a privilege to welcome you to the Oxford Law Faculty's postgraduate programmes of BCL and MJur. We are proud to be an inclusive and curious community of scholars and students. The BCL/MJur programme is the best postgraduate degree in law in the world in a large part due to the excellence of its students. We are happy you will be bringing your diverse experiences and talents to the mix. As the Associate Dean for Graduate Studies (Taught), I am looking forward to getting to know you during your year at Oxford.

Dorota Leczykiewicz

Associate Dean of Graduate Studies
(Taught Courses)

ABOUT THE PROGRAMME

The Oxford Bachelor of Civil Law (BCL) degree has been a pivotal feature of Oxford's law provision since the sixteenth century. This rich history has helped to maintain its status as the most highly regarded taught masters-level qualification in the common law world. Since 1991, the Magister Juris (MJur) degree has established a similar outstanding reputation for students from non-common law backgrounds.

Our students benefit from Oxford's rigorous tutorial system which makes these degree courses so challenging. This environment demands exceptional academic motivation, focused analytical ability, and the capacity for sustained work. Students from a wide range of jurisdictions and backgrounds refine their wealth of experience, knowledge and understanding through direct and intensive engagement with some of the best teachers and researchers in the world across a wide range of legal subjects.

For 2022, the University of Oxford has been named the world's number one university for the sixth successive year in the Times Higher Education World University Rankings. The University was also ranked first in the Guardian's UK University Guide for 2021. Oxford's Faculty of Law was ranked second in the world in the 2021 QS World University Rankings for Law and Legal Studies.
